STATEMENT FROM THE LIBRARY BOARD OF TRUSTEES

To assist in preventative measures of the spread of the Coronavirus (COVID-19), the Hicksville Public Library is closed until further notice. All Library programming through April 19th has either been cancelled or postponed. However, the Hicksville Public Library staff is still working from home to provide online assistance to our patrons. The online resources we have been offering for years are now at the forefront.

On Wednesday, March 25th, the Board of Trustees, after careful examination of the community situation, put together our budget for the fiscal year of 2020-2021. We took a big step to help the community during this catastrophic crisis by having a zero increase on this year's budget. We have made every effort to minimize any potential difficulty due to this decision to try to mitigate the financial situation for many residents in this community. Our goal is to help bring the highest level of library services available to our patrons during this crisis.

We are committed to working with the community to maintain the operation of library services. In addition, we are completely confident in the dedication of the Hicksville Public Library staff to continue to work behind the scenes to keep the high level of services that this community deserves.

We implemented a chat service on our library home page. You can also call the library at 931-1417 ext. 105 for general information, ext. 124 for Reference, ext. 112 for Children's, and ext. 115 for Computer Services. You can reach us by email at hplinfo@hicksvillelibrary.org. We will contact you within 24 hours.

We hope to see you again soon. In the meantime, please continue to follow the CDC guidelines by staying home. Be healthy and safe.

Best Regards,
